*Letter from the Owner:*

Last year we added a new dimension to the Duke of Fluke Tournament, by creating a Professional Division, for anglers who make their livelihood from our waters. We saw a record payout of over \$15,000 in total tournament winnings. Over the past year we have received a lot of feedback regarding the addition of the Professional Division. Taking that into consideration, we have enhanced the Professional Division with a \$400 entry fee and guaranteed \$2,000 in cash prizes.

Once again, recreational anglers can continue to enjoy the tournament as they have for the past ten years. The recreational anglers are also invited to fish in the Professional Division, if they wish to challenge the pros!

Also, new for this years tournament is the addition of a Junior Award. This category is restricted to anglers 14 years and under who are fishing on a registered tournament boat. We will award a trophy and a prize for the single heaviest fluke in this division.

We look forward to this years tournament being as successful and enjoyable as in the past.

Good luck and tight lines,  
 George Algard  
 Owner, Sterling Harbor Bait & Tackle
